MHT Partners is proud to announce that Centre Technologies (“Centre” or the “Company”), a leading technology services firm based in Houston, Texas, has formed a new business partnership with Texas investment firm Main Street Capital Corporation (NYSE: [MAIN](#)) (“Main Street”). This partnership will equip Centre with the resources to continue growing in technologically sophisticated markets and further expand the organization’s ability to deliver advanced, customized IT solutions to current and new customers. MHT Partners served as the exclusive advisor to Centre in this transaction.

Through this partnership, Centre is empowered to drive the continued growth and success of its partners, customers and employees. Customers will benefit from solutions with increased scalability through industry-leading tools and resources. The investment enables the company to deliver a strengthened, strategic business model with enhanced enterprise solutions and methodologies, positioning Centre to capitalize on significant growth opportunities in the future.

“Our strategic partnership with Main Street opens up endless opportunities that will advance our DNA (our employees, customers and technology partners) – strengthening our enterprise solutions, increasing scalability of services, and expanding our team of proven business leaders. We are extremely excited and enthusiastic about the potential that this new partnership creates — enabling us to deliver the best business technology solution across Texas and other markets,” states Chris Pace, Centre’s Founder & CEO. He adds, “MHT Partners worked assiduously to find the right partner for us. Their deep industry and transaction expertise drove us to our desired outcome. We couldn’t be happier.”

Mike McGill, Co-Founder and Managing Director, MHT Partners, states “As clients ourselves, MHT understands the tremendous value that Centre brings to organizations like ours through superior service and exceptional technological expertise. From an investment perspective, the Company represents a truly unique opportunity as a differentiated platform in a highly attractive geography, led by an exceptional group of people.”

Briton Burge, Principal, MHT Partners, adds “As homegrown Houston companies, Centre and Main Street share a cultural tie and vision for growth, which we believe will allow Centre to build upon its past success and continue to serve its clients and its community with distinction. It was an honor working with the Centre team. We know they will continue to perform very well in the marketplace.”

About Main Street Capital Corporation

Main Street (www.mainstreetcapital.com) is a principal investment firm that primarily provides long-term debt and equity capital to lower middle market companies and debt capital to middle market companies. Main Street's portfolio investments are typically made to support management buyouts, recapitalizations, growth financings, refinancings and acquisitions of companies that operate in diverse industry sectors. Main Street seeks to partner with entrepreneurs, business owners and management teams and generally provides "one stop" financing alternatives within its lower middle market portfolio. Main Street's lower middle market companies generally have annual revenues between \$10 million and \$150 million. Main Street's middle market debt investments are made in businesses that are generally larger in size than its lower middle market portfolio companies.
